Dear Sir:

Environmental Greetings!

This is to acknowledge receipt of your letter dated **02 February 2022**, in which you requested that the imposed fines be reduced from **Php49,000.00**, equivalent to a three-year violation, to **Php19,500.00**, equivalent to a one-year violation.

As much as this Office would like to extend its assistance, there is nothing from the existing rules and regulations of the Pollution Adjudication Board (PAB), and in general, allowing the reduction of fines imposed. However, this Office deems it proper to allow you to settle the imposed fines in a staggered mode of payment. The issuance of the **PAB Resolution No. 03 series of 2021<sup>1</sup>** grants the concerned establishment an option to avail of the staggered mode of payment. If you wish to avail of this mode of payment, you may submit a letter to this Office manifesting your intention to apply for the said staggered payment scheme. In addition, the availing of such scheme may be made, either in cash payment or by using post-dated checks, and for the minimum amount of fines up to **Php50,000.00**, it may be paid in **two (2) staggered payments** within a period of **three (3) months**.

Moreover, please be mindful that in case you opted to pay the fines in accordance with **Section 4** of the said PAB Resolution but **fail** to pay the same for at least **one (1) installment** or the issued post-dated check is dishonored by the bank due to insufficient funds, the full amount shall **immediately be due and demandable** without prejudice to the filing of a criminal case pursuant to applicable penal laws.

For your information and reference.

Respectfully,

  
**ENGR. REYNALDO B. BARRA**  
OIC- Regional Director
