Dear Madam:

Environmental Greetings!

This has reference to the monitoring conducted by our Technical Staff regarding your compliance to the conditions stipulated in the Environmental Compliance Certificate with Reference No. RO8-1705-0027 dated July 31, 2017.

Results of the monitoring showed that your establishment has no issued Permit to Operate for the operation of the three(3) units underground tanks. *"All sources of air pollution subject to DAO No. 2000-81 must have a valid Permit to Operate which can be accessed through the EMB Permitting and Monitoring System".*

MS. MARICON G. ABUDA is the Managing Head and at the same time Designated Pollution Control Officer of the establishment. *"The Designated Pollution Control Officer to attend the 40-hour Basic PCO Training and apply for accreditation at the concerned EMB Regional Office within fifteen (15) calendar days from the date of appointment/designation as per DENR Administrative Order No. 2014-02 "Revised Guidelines for PCO Accreditation".*

It was also found out that your company's Project Name, FILOIL Gasoline Station was changed to ECO-OIL (Ecology Specialist, Inc.) in 2018. Although under the same owner and management, you are still required to apply for a "Change of Project Name" from this Office pursuant to EMB Memorandum Circular No. 2021-05.

As such, you are hereby enjoined to comply with the above-cited recommendations in compliance with the requirements of the Environmental Laws and its Implementing Rules and Regulations within ninety(90) days from receipt of this letter. Failure to do so shall be deemed as violation of applicable rules and regulations.

Please be guided accordingly.

Very truly yours,

**ENGR. REYNALDO B. BARRA**  
OIC, Regional Director
