Dear Sir:

The extension for security services between Vision Security Services, Inc. and Environmental Management Bureau R8 was requested last March 29, 2022 and will expire on April 30, 2022. Due to unforeseen circumstances, the preparation for the procurement of Security Services was delayed, thus, we are requesting for another contract extension starting May 1, 2022 until the completion of the procurement activity.

We value our great partnership and hope for your consideration on this matter.

For more information, you may contact Ms. Juvy J. Pinson at (053) 832-2319. We are hoping for your immediate response on this request.

Thank you and more power.
