Dear **Sir/Madame**:

Environmental Greetings!

This has reference to an electronic mail which you have submitted to this Office on **08 April 2022**, seeking for an update on the status of the air pollution case involving **TBK Manufacturing Corporation** located in Nula-Tula, Tacloban City, Philippines.

Considering that the case is now pending before the Pollution Adjudication Board, then it is the honorable Board which is in the best position to provide you with the relevant information or updates on the case. Nonetheless, however, as far as this Office is concerned, please be informed that an emission testing has been conducted in December 2021 upon the air pollution source and control facilities of the TBK Manufacturing Corporation by a DENR Accredited third-party emission testing laboratory.

In a Memorandum dated 16 March 2022 to this Office, the Board Secretariat has directed this Office of the submission of the emission test reports for its consideration. In response, this Office submitted the emission test reports, which was submitted to this Office by TBK Manufacturing Corporation on 22 March 2022, by way of a Memorandum dated 20 April 2022 to the PAB.

For your information and reference. Thank you for your cooperation.

Respectfully,

"For and in the absence of the Regional Director"

ENGR. LIZA A. TAN

Chief, Chemicals and Hazardous Waste Management Section
OIC, Office of the Regional Director
