MEMORANDUM

FOR : **ENGR. WILLIAM P. CUÑADO**
Director
Environmental Management Bureau
Visayas Avenue, Diliman, Quezon City

ATTENTION : **Chief, Environmental Quality Division**
Chief, Air Quality Monitoring Section

FROM : **OIC, REGIONAL DIRECTOR**
Environmental Management Bureau
Region 8, Tacloban City

SUBJECT : **INSTALLATION OF CONTINUOUS AMBIENT AIR**
QUALITY MONITORING STATION (CAAQMS)

DATE : **24 JANUARY 2022**

This is in reference to the installation of the Continuous Ambient Air Quality Monitoring Station (CAAQMS). The Notice to Proceed for the installation had already been approved in December 2021. The supplier scheduled the installation in the same month last year. However, due to the typhoon Odette, resulting to the cancellation of flights, the schedule has been moved. Unfortunately, because of the unforeseen sudden surge of COVID-19 cases, resulting in the declaration of an alert level 3 in the Region and in Metro Manila, the flight of the supplier's staff assigned for the installation was cancelled twice. The installation will push through once the situation improves.

For his information.
