Attention: **MARVIN P. VILLAFUERTE**
Pollution Control Officer

Sir:

This is in connection to the letter dated 15 March 2022 and received by our Office on 15 March 2022 regarding the status of your one (1) unit 750 KVA (600 KW) Cummins Generator Set and the one (1) unit 750 KVA (600 KW) Baudouin Generator Set. The letter states that the Cummins generator set was not operational and is currently for repair, and the Baudouin generator set is declared unserviceable and for scrapping/disposal. A second 750 KVA (600 KW) Cummins Standby Generator Set has been purchased by the hospital last 04 December 2021 in replacement of the 750 KVA (600 KW) Baudouin Standby Generator Set.

Based on records, you are issued with a Temporary Permit to Operate (PTO) with permit number POA-2020-B-0837-0041 issued on 7 February 2020 and valid only until 7 May 2020 for the one (1) unit 750 KVA (600 KW) Cummins Standby Diesel Generator Set and one (1) unit 750 KVA (600 KW) Baudouin Standby Generator Set. Another Temporary PTO with permit number PTO-OL-R08-2021-10602-TR was issued on 20 December 2021 and valid only until 20 March 2022 for the two (2) units 750 KVA (600 KW) Cummins Standby Generator Set. A renewal application (application number: 177909) for permit number PTO-OL-R08-2021-10602-TR was received on 21 February 2022 and was returned to you upon evaluation on 27 February 2022 for submission of test report of the conducted 3rd Party Source Emission Testing.

In view thereof, please be advised to submit proof of scrapping/disposal (i.e. picture, transfer & etc.) of the 750 KVA (600 KW) Baudouin Standby Generator Set. In addition, you may attach in your application a letter regarding the status of the old 750 KVA (600 KW) Cummins Standby Generator Set, including the planned date of resumption of operation. Moreover, kindly continue and update your application in your OPMS account.

Further, please be reminded that operating without a valid Permit to Operate may constitute a violation of Section 1, Rule XIX of DENR Administrative Order No. 2004-26 and Permitting Procedures No. 8 of Memorandum Circular 2007-003 and to Pollution Adjudication Board (PAB) Resolution No. 01-2019.

This is for your information, guidance, and compliance.

Very truly yours,

REYNALDO B. BARRA, PME
OIC, Regional Director
