Dear **Mr. Ibasco**,

Warmest Greetings!

This is to acknowledge your monthly status report for the month of April 2022 that was received by our office last May 11, 2022 for your adopted waterbodies Victory River and Taluto Creek. We are very grateful that your office had conducted several activities to improve and sustain the water quality of the waterbodies.

We have already sent water quality monitoring results for the adopted waterbodies for the 1st quarter 2022 last May 12, 2022.

Hoping that your office continues to support the Adopt-an-Estero program.

Thank you very much.

Respectfully yours,

ENGR. REYNALDO B. BARRA
OIC - Regional Director
