April 19, 2022

Dear Sir Siglos,

Environmental Greetings!

In celebration on the upcoming Earth Day on April 22, 2022 several activities will be conducted to support the event. As part of our efforts in the protection and conservation of our water quality of the waterbodies in the region we would like to request from your end to conduct a clean-up drive on your previous adopted esteros/waterbodies (Mangonbangan River) under the Adopt-an-Estero Waterbody program.

Moreover, please document the said activity and submit report to the office.

Thank you very much for your unwavering support and for accomodating this request.

Very truly yours,

  
**ENGR. REYNALDO B. BARRA**  
OIC – Regional Director

April 19, 2022

Dear Engr. Teves,

Environmental Greetings!

In celebration on the upcoming Earth Day on April 22, 2022 several activities will be conducted to support the event. As part of our efforts in the protection and conservation of our water quality of the waterbodies in the region we would like to request from your end to conduct a clean-up drive on your previous adopted esteros/waterbodies (Burayan River and Mahayahay Creek) under the Adopt-an-Estero Waterbody program.

Moreover, please document the said activity and submit report to the office.

Thank you very much for your unwavering support and for accomodating this request.

Very truly yours,
