VIOLETA M. BALTONADO
Doña Feliza Mejia Subdivision
Cogan, Ormoc City

Dear Ms. Baltonado:

This pertains to your letter-request for the re-amendment of the Environmental Compliance Certificate (ECC) issued online/amended on **September 12, 2017 & November 7, 2018**, respectively for the **Industrial Sand and Gravel Extraction without Processing Plant Project** covers an area of **49,549 square meters** located along **Panilahan River, Barangay Sherwood, Albuera, Leyte**.

After evaluation of the documents submitted, this Office has decided to grant your request considering that it is permitted in DAO 2003-30 itself. Thus, the ECC will now decreased its area from 49,549 square meters to **21,228 square meters** and will have an annual extraction rate of **less than 20,000 MT**.

This Certificate does not create any right nor be used as an authorization to implement the project, you may proceed with the implementation only after securing all the necessary and relevant permits from other pertinent Government Agencies. This Office shall be monitoring the project periodically to ensure strict compliance with the stipulations cited in the attached ECC.

This letter forms an integral part of the subject ECC, the primary purpose of which is to serve as proof of its amendment.

Please be guided accordingly.
