Thank you!

March 22, 2022

HON. SHONNY NIÑO R. CARPESO

Municipal Mayor

Dolores, Eastern Samar

Dear Hon. Carpeso:

Environmental Greetings!

This has reference to the monitoring of open dumpsite in Brgy. Tanawan, Dolores, Eastern Samar conducted by our EMB Technical Staff on March 2, 2022. The following are the findings and observations, to wit:

1. LGU still operates an open dumpsite and collects mixed wastes.
2. With operational Materials Recovery Facility (MRF), however, it was not properly managed evident by the presence of stored unsegregated wastes.

Section 37 of RA 9003 states that “no open dumps shall be established and operated, nor any practice or disposal of solid waste by any person, including LGUs, which constitutes the use of open dumps for solid wastes, is allowed.”

In view hereof, we would like to invite you to attend a Virtual Technical Conference (TC) on MARCH 29 at 1:30 A.M./P.M. to rectify the said violations. A link will be sent to you before the scheduled TC once your official email address will be received by this Office through embr8_records@emb.gov.ph.

Please be reminded that non-compliance with the above-stated recommendations can be considered as a violation of the provisions under **RA 9003, “Ecological Solid Waste Management Act”**.

For strict compliance.

Respectfully yours,

ENGR. REYNALDO B. BARRA
OIC-Regional Director
