**Dear Mayor:**

The month of June marks two significant environmental events for the entire nation as we celebrate World Environment Day on June 5 and National Environment Month, tagged under the theme **"Only One Earth."**

To commemorate the above celebrations, the Environmental Management Bureau (EMB) Regional Office 8 will be holding an art exhibit with its partners from different sectors at Robinsons Place-Tacloban, Marasbaras, Tacloban City on June 4-6, 2022 (including ingress and egress).

It is also our aim to showcase the best environmental management practices of our partners from the local government units. Recognizing your unrelenting efforts and support for our programs, may we invite the Municipal Government of Barugo to join us in this two-day event as you are being encouraged to put your Office's best environmental management practices on display to be seen and replicated by the people in Eastern Visayas.

For inquiries, you may contact us at 09070247456/09209813679 and please look for Ms. Maria Glenda Lagunzad/Ms. Anamarie D. Cavañero.

We hope for your usual support.

Thank you.

Very truly yours,

**ENGR. REYNALDO B. BARRA**  
OIC, Regional Director
