Dear **Director Parian**:

In line with the policy of the State under the Republic Act No. 9513, otherwise known as the Renewable Energy Act of 2008 (RE Act), where the exploration, development and utilization of renewable energy (RE) resources are encouraged and accelerated in the country, the Department of Energy (DOE) would like to endorse the project of TOTALPower Inc. (TPI) situated in San Isidro and Calubian, Leyte, with the following description:

Project Name: San Isidro Solar Power Project
Contract No: SESC No. 2018-11-491

Pursuant to the Solar Energy Service Contract (SESC) No. 2018-11-491 awarded by the DOE on 06 November 2019, TPI was registered as the RE Developer with the exclusive right to explore, develop and utilize solar resource within the contract area located in the abovementioned municipalities. We hope that this endorsement by the DOE would be of help in your evaluation and approval of TPI's application for issuance of necessary permits or licenses from your office. Should there be further inquiry on the project, TPI could be reached at the following contact details:
