

Republic of the Philippines
Department of Environment and Natural Resources
ENVIRONMENTAL MANAGEMENT BUREAU
Regional Office No. VIII

January 6, 2022

HON. FRANCES ANN B. PETILLA
Municipal Mayor
Palo Leyte

ENVIRONMENTAL MANAGEMENT BUREAU :
RELEASED BY: 
DATE: 01/07/2022
TIME: 9:32am

Attention: Municipal ENRO or
The Municipal Planning and Development Officer

Dear Mayor Petilla,

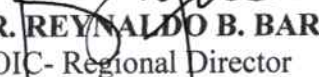

Greetings,

The Environmental Management Bureau (EMB) aims to classify water bodies in the country, in pursuant to the implementation of the Clean Water Act of 2004. It is necessary that classification of the principal waterbody, lakes, marine waters, and other water bodies in the Philippines should be given utmost priority to protect the country's water resources and environmental quality as a whole.

In this regard, we would like to inform you that for year 2022, the EMB –R8 consider **San Pedro Bay** for "**Classification**". For this activity, we shall be conducting field survey, data gathering and monthly water quality monitoring on the aforesaid waterbody

We shall be coordinating with your office to carry out this activity and we likewise request for your support for the same.

Respectfully yours,

ENGR. REYNALDO B. BARRA
OIC- Regional Director
