ENVIRONMENTAL MANAGEMENT BUREAU  
RELEASED BY: *[Signature]*  
DATE: 5/31/2022  
TIME: 9:28am

Dear Madame:

Environmental Greetings!

This has reference to the investigation conducted by our technical staff in your establishment on May 4, 2022. The following are the findings and recommendations formulated, to wit:

**Findings:**

1. The piggery site was located adjacent to neighboring houses more or less 8 meters away.
2. Observed the presence of one (1) unit pig pen with three (3) compartments. Also, with two (2) heads of pigs at the time of monitoring.
3. Absence of animal manure around the area, and no foul odor was observed at the time of inspection.
4. Accordingly, the pigpen was provided with a septic tank, however, the inspectors were not able to see the tank since it was already covered with soil, only the PVC pipe connecting to the septic tank was observed during the inspection.
5. No traces of wastewater discharge.
6. Absence of Discharge Permit for wastewater generated and its control facility.

**Recommendations:**

1. To secure a Discharge Permit for Wastewater generated and its control facility through EMB website (<https://opms.gov.ph>)

As such, you are hereby enjoined to comply with the above-cited recommendation in compliance with the requirements of the Environmental Laws and its Implementing Rules and Regulations of **Paragraph (c), Section 27 of RA 9275 (Philippine Clean Water Act of 2004)**, within thirty (30) days from the receipt of this letter.

Failure to do so shall be deemed as a violation of applicable rules and regulations. This Office will be compelled to take appropriate legal action against your establishment.

Please be guided accordingly.

Very truly yours,

*[Signature]*
