Sir:

This has reference to the letter dated 7 April 2022 and received by this Office on 8 April 2022 informing the status the status of the Granulation Plant and the postponement of the conduct of Source Emission Testing.

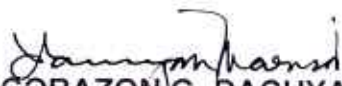

Please be informed that you can apply for the renewal of a Temporary/Regular Permit to Operate (PTO) not less than thirty (30) days before the expiry date indicated in the Permit. After thorough evaluation and acceptance by the case handler and approval by the EMB8-Regional Director, you will be granted a Temporary PTO valid for another three (3) months until the requirement under Stack Testing be complied as a prerequisite for the issuance of a Regular Permit to Operate.

Further, please be reminded that operating without a valid Permit to Operate may constitute a violation of Section 1, Rule XIX of DENR Administrative Order No. 2004-26 and Permitting Procedures No. 8 of Memorandum Circular 2007-003, Pollution Adjudication Board (PAB) Resolution No. 01-2019.

This is for your information, guidance, and compliance.

Very truly yours,

"For and in the absence of the Regional Director"

MA. CORAZON G. DACUYAN
Chief, Finance and Administrative Division
OIC, Office of the Regional Director
