**Dear Dr. Quitalig:**

The month of June has been declared as Environment Month, and the 5th of June is designated as World Environment Day. Anchored on the Stockholm Conference on the Human Environment, it aims to stimulate worldwide awareness of the environment and enhances political attention and action.

Working together with the pillars of the society over the years has given us silver lining amidst the challenges we face today. Our environment needs us and celebrating Environment Month means celebrating life, reminding us of our role as stewards and caretakers of the Earth and its abundance.

In this view, the Environmental Management Bureau (EMB) R8 would like to collaborate with you once more for the World Environment Day commemoration with an art exhibit at Robinsons Place – Tacloban, Marasbaras, Tacloban City on June 5 to 6, 2022.

To discuss the details of the said event, may we invite **Mr. Milaner Oyo-A** to attend the meeting on Monday, May 16, 2022, 10:30 a.m. in the conference hall, EMB R8, Tacloban City.

For further inquiries, you may contact us at 09070247456 and please look for Ms. Maria Glenda Lagunzad.

Thank you.

Very truly yours,

**ENGR. REYNALDO B. BARRA**  
OIC, Regional Director
