Region 8

ENVIRONMENTAL MANAGEMENT BUREAU
RELEASED BY: *[Signature]*
DATE: 3/03/2022
TIME: 3:08pm

Dear **Mr. Rosello**:

This has reference to your electronic mail letter submitted to this Office last **20 February 2020**, requesting for the revocation of your Certificate of Accreditation as Pollution Control Officer of the J&F Department Store Corporation.

Please be informed that pursuant to existing rules and regulations, a **Certificate of Accreditation issued to a Pollution Control Officer who resigned from his/her employment with the company is automatically revoked**. Hence, there is no need for you to secure a revocation of the said accreditation from this Office, provided you resigned from your employment with J&F Department Store Corporation.

Otherwise stated, if no resignation has been made, this Office would like to respectfully request you to coordinate your request for revocation with the company as the same request should originate from the said company, considering that there is a need to ensure your replacement as a PCO for the said company. The Managing Head, meanwhile, shall immediately assume the responsibilities as interim PCO until such time that a new PCO shall have been accredited.

For your information and guidance. This Office would like to hear from you and your company soon. Thank you for your cooperation.

Very Truly Yours,
