Dear Sir/Madam:

The month of June marks two significant environmental events for the entire nation as we celebrate World Environment Day on June 5 and National Environment Month, tagged under the theme **"Only One Earth."**

To commemorate the above celebrations, the Environmental Management Bureau (EMB) Regional Office 8 will be holding an art exhibit with its partners from different sectors at Robinsons Place-Tacloban, Marasbaras, Tacloban City on June 4-6, 2022 (including ingress and egress).

It is also our aim to showcase the best environmental management practices of our partner industries in Eastern Visayas. Recognizing your unrelenting efforts and support for our programs, may we invite Coca-cola FEMSA to join us in this two-day event as you are being encouraged to put your company's best environmental management practices on display to be seen and replicated by the people in Eastern Visayas.

Furthermore, to keep our participants lively, we also seek a partnership with you in our "Environment Day Raffle."

For inquiries, you may contact us at 09070247456 and please look for Ms. Maria Glenda Lagunzad.

Thank you.

Very truly yours,

"For and in the absence of the Regional Director"
