Dear Ms. Bañez:

The Environmental Management Bureau Region 8 extends its gratitude to your esteemed organization for selecting us as one of your partners in the Citywide Youth Leadership Training 2022 (CWYLT 2022) with the theme “#ForReal: Converging Youth Leadership and Climate Action Towards Socio-Environmental Sustainability.” Indeed, the bureau recognizes the importance of strengthening linkages with other stakeholders to create a real impact on our programs and activities.

As your partner in this undertaking, we understand and accept our responsibilities, as agreed upon during the meeting, to provide you with the needed materials, resource people, and venue for the duration of the said activity on **March 17-19, 2022** at the **EMB R8 conference hall**.

The EMB acknowledges the CWYLT 2022 as a great vehicle for young people to lead the way in pursuing meaningful and immediate solutions to emerging environmental crises. We are deeply appreciative of this opportunity to be working with young and dynamic individuals who are involved in environmental and developmental-related advocacies.

For further inquiries, you may contact **Ms. Maria Glenda C. Lagunzad** – Assistant Head, Environmental Education and Information Unit at **09168256607**.

Thank you.

Very truly yours,

ENGR. REYNALDO B. BARRA
