Dear Sir:

Environmental Greetings!

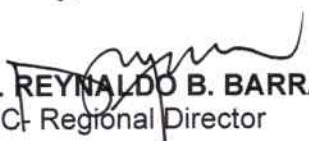

This has reference to your letter dated **09 November 2021** seeking that you may be allowed to settle the fine on a staggered payment at the discretion of the Pollution Adjudication Board (PAB).

Please be informed that on **29 November 2021** this Office endorsed your letter-request to the Board for their consideration and proper disposition. In response to the said indorsement, the Board in its **Memorandum** dated **07 January 2022** direct this Office to act upon all the request for staggered payment of establishments with fines imposed under PAB Resolution No. 1 series of 2019 within its jurisdiction pursuant to the **PAB Resolution No. 03 series of 2021** entitled "**Guidelines for payment of Fines and Penalties for Permitting and Administrative Violation of RA 8749 and RA 9275 Imposed during the Implementation of Community Quarantine**" which in turn allows the staggered payment scheme for Orders imposing penalties issued amid the pandemic, which took effect last **06 January 2022**.

In view of the foregoing, please be advised that your request for a staggered payment is hereby granted in accordance with the abovementioned PAB Resolution. The availment of such scheme may be made, either in cash payment or by using post-dated checks, and for the minimum amount of fines up to **Php50,000.00**, it may be paid in **two (2) staggered payments** within **three (3) months**. In addition, please be mindful that in case you opted to pay the fines in accordance with **Section 4** of the said PAB Resolution but fail to pay the same for at least one (1) installment or the issued post-dated check is dishonored by the bank due to insufficient funds, **the full amount shall immediately be due and demandable** without prejudice to the filing of a criminal case pursuant to applicable penal laws.

For your information and reference.

Respectfully,

  
**ENGR. REYNALDO B. BARRA**
