Dear Sir,

Environmental Greetings!

In celebration on the upcoming Earth Day in April 22, 2022 several activities will be conducted to support the event, one of the activity is the synchronize cleanup in the Mangonbangon River. As part of our efforts in the protection and rehabilitation of this particular river, we would like to request from your end to conduct a cleanup drive in the Mangonbangon River along your area of jurisdiction together with your constituents at 6:00am to 8:00am in the morning on the specified date. You may coordinate with the adaptors of the Mangonbangon River like the Mother of Mercy Hospital, Leyte Normal University, Petron, and others.

Thank you for your support and for accommodating this request.

In celebration on the upcoming Earth Day in April 22, 2022 several activities will be conducted to support the event, one of the activity is the synchronize cleanup in the Mangonbangon River and coastal parts of McDonald's Rizal, Downtown, Tacloban City. As part of our efforts in the protection and rehabilitation of this particular river and coastal parts, we would like to request from your end to participate in the cleanup and for possible collection by your GSS of the solid wastes that will be collected in the activity. The said cleanup will start at 6:00am to 8:00am in the morning on the specified date.

Thank you for your support and for accommodating this request.

Very truly yours,
