Dear For. Hijada:

Warm Greetings!

This is to acknowledge receipt of your report received by this office on May 20, 2022, relative to the infectious waste (COVID-19) collection and disposal last May 14, 2022.

With this, we would like to ask for further details on the generated infectious wastes from the different generators. Please identify the facility and reflect the corresponding generated infectious wastes (M501) that were disposed of and treated.

Thank you very much for your continuous support and compliance with EMB R8.

Very truly yours,
