Dear RD Borromeo:

This has reference to the compliance monitoring conducted by this Office for your project, Road Heightening and Tide Embankment Project, that has been issued an Environmental Compliance Certificate (ECC), ECC-R08-1511-0153, on November 13, 2015.

Based on our Office Records, no submission of the semi-annual Compliance Monitoring Report (CMR) for CY 2020 and 2021 periods both on manual and online submission systems. Recent CMR received was on January 14, 2020 covering 2<sup>nd</sup> Semester 2019 monitoring period. Submission of CMR is required per General Condition No. 9 of your approved ECC for this project.

Please be advised to submit your CMR online through **[online.emb.gov.ph/cmr](https://online.emb.gov.ph/cmr)** for the two (2) semesters of both CY 2020 and 2021 monitoring periods. Kindly submit these CMRs online on or before March 18, 2022. Failure on the submission of CMR would construe as ECC violation subject to imposition of penalty.

For your compliance.

Very truly yours,

for:
