Dear **Mr. Ibasco**,

Warmest Greetings!

This is to acknowledge your monthly status report that was emailed to our office last April 7, 2022 for your adopted waterbodies Victory River and Taluto Creek. We are very grateful that your office has conducted several activities to improve and sustain the water quality of the waterbodies despite the ongoing Covid-19 pandemic.

We have already sent monitoring results for the adopted waterbodies for the 4th quarter 2021 last February 15, 2022.

Hoping that your office continues to support the Adopt-an-Estero program.

Thank you very much.

Respectfully yours,

ENGR. REYNALDO B. BARRA
OIC - Regional Director
