TIME: 3:27pm

HONORABLE ALEJANDRO D. REATAZA JR.

Barangay Chairman

Brgy. 98 Camansihay, Tacloban City

Dear **Brgy. Chairman Reataza**,

Environmental Greetings!

This has reference to the **Barangay Materials Recovery Facility (BMRF)** in **Brgy. 98 Camansihay** which is a Local Government Unit (LGU) – Initiated MRF.

In order to evaluate the implementation of the program, personnel from this Office conducted monitoring of the operationalization of said facility and obtained the following findings:

1. Brgy. MRF is functional and caters the storage of recyclables (e.g. bottles, cans, plastics, etc.), composting facility and temporary storage of residual waste;
2. Barangay has initiated the establishment of Barangay MRF;
3. Facility has composting area;
4. Barangay has a functional and active BSWMC, headed by Committee Chairperson on Education; and
5. Barangay conducts community clean-up regularly at a designated area.

Relative to the abovementioned observations, the following are our recommendations:

1. Improve the operation and maintenance of Brgy. MRF; and
2. The barangay must maintain a logbook for record keeping of quantity of biodegradable waste composted and recyclable waste materials sold to retain data for waste diversion of the barangay.

Please inform us of any update on your compliance to the above recommendations.

Thank you and more power.

Very truly yours,

ENGR. REYNALDO B. BARRA
OIC - Regional Director

Cc: **HON. ALFRED S. ROMUALDEZ**
City Mayor
City Government of Tacloban

FOR. JONATHAN R. HIJADA
