The Manager

Robinsons Appliance Center
Robinsons Place – Tacloban
Marasbaras, Tacloban City

Dear Sir/Madam:

The month of June has been declared as Environment Month, and the 5th of June is designated as World Environment Day. Anchored on the Stockholm Conference on the Human Environment, it aims to stimulate worldwide awareness of the environment and enhance political attention and action.

Working together with the pillars of society over the years has given us a silver lining amidst the challenges we face today. Our role as stewards of the natural resources is better realized when shared with our fellowmen.

Acknowledging the efforts and the initiatives of our partners in the region, the Environmental Management Bureau R8 will be spearheading an event that will highlight their hard work and dedication as they support our advocacy. EMB 8 will showcase the artworks of some of our youth in Eastern Visayas via posters and poetry, alongside the artworks of our local artists, and highlight the best environmental management practices of our industry partners and some of the local government units.

In this view, the Environmental Management Bureau (EMB) R8 would like to collaborate with you once again to commemorate World Environment Day through an art exhibit on **June 4 and 6, 2022 (including ingress and egress)** at the **Annex, Robinsons Place – Tacloban, Marasbaras, Tacloban City**. We would like to request the use of the **two units of LED TV** for the presentation of digital artwork and videos for the whole duration of the said event.

For clarifications, you may contact us at 09070247456/09209813679 and please look for Ms. Maria Glenda Lagunzad/Ms. Anamarie D. Cavañero.

We hope for a favorable response from you regarding our request.

Thank you.

Very truly yours,

ENGR. REYNALDO B. BARRA
OIC/Regional Director
