TIME: 8:22am

Dear Sir,

Environmental Greetings!

This has reference to your letter duly received by the EMB Regional Office on 08 April 2022 regarding the deferred source emission testing of Two (2) units 750 KW "Mitsubishi" Diesel Generator Set (Unit 1 & 2) and One (1) unit 600 KW "Perkins" Diesel Genset (Unit 6) intended for Power Barge 113.

In view thereof, your letter is hereby acknowledged and considered. Moreover, the above-mentioned Air Pollution Source and Control Installation – Permit to Operate with reference PTO-OL-R08-2021-10243-T is valid only until March 07, 2022. Please be advise, to apply for a temporary permit to operate in connection with your source emission testing.

However, you are hereby directed to submit source emission test plan subject for evaluation to the Bureau at least two (2) weeks prior to the date of conduct of the emission test and attach a valid Certificate of Accreditation of the Team Leader and QA/QC Manager of your contracted source emission test provider once purchase order has been approved.

For further inquiries, you may contact the Water & Air Quality Monitoring Section (WAQMS) at waqms.emb8@gmail.com or tel no. (053) 832-2319.

Please be guided accordingly.

Thank you.

Very truly yours,

ENGR. REYNALDO B. BARRA
OIC, Regional Director
