Dear Sir:

This has reference to the compliance evaluation conducted by our technical staff for your establishment, Mercado Caltex Gasoline Filling Station (EL Mercado Fuel Station), located in Marasbaras Tacloban City. As per online Self-Monitoring Report (SMR) records, no SMR has been submitted yet for this branch. Kindly access thru **client.emb.gov.ph/smr** for your submission.

Moreover, SMR online submission for your Guindapunan Palo branch is not regular. As per online record, submission was only done last April 22, 2021. Please be reminded that submission of SMR is required per condition of your approved Permit to Operate Air Pollution Source and Control Installations.

Please be advised also to renew your Wastewater Discharge Permit online for the two (2) gasoline stations.

For your strict compliance.

Very truly yours,
