Dear Mr. Parado,

This has reference to your letter request for clustering, which was received by this Office last 06 December, 2021.

In line with this, please be advised that the kiosk store type is excluded in the list for clustering and the hazardous waste generation of each kiosk store can be stored in the stand alone outlets.

In view of this, please submit another request letter according to the new list of stores to be clustered.

For your information and guidance.

Sincerely,

REYNALDO B. BARRA, PME
OIC – Regional Director
