Marcelo's Beach Resort

Brgy. Sta. Rosa, Tabango, Leyte

Dear Mr. Conson Jr.:

This has reference to the EIA Survey Monitoring Checklist findings conducted between April 12-13, 2021 on the above-mentioned project.

Currently, your present project falls under Category D which is not covered by the Philippine EIS System, however, during the recently conducted survey by our technical personnel, it was disclosed that you are planning to expand your present project.

If you intend to pursue an expansion of your current project, may we refer you to EMB Memorandum Circular 2014-005 (Revised Guidelines for Coverage Screening and Standardized Requirements under the Philippine EIS System), Golf Course and other Tourism Projects particularly item **4.2 Resort and other tourism/ leisure projects with more than 1,000 sq.m. (Project/ Gross floor area shall be the sum/total of total/gross floor area (of structures) plus open areas and other facilities (e.g. landscape, parking, pools)** in this case requires an Environmental Compliance Certificate (ECC) and has to secure the same prior to any expansion activities. You may apply the ECC thru online at <https://ecconline.emb.gov.ph>. This is a requirement under PD 1586 to avoid incurring any sanctions and violations under Sec. 4 of PD 1586 for operating the project without first securing an ECC.

For his information and guidance.

Very truly yours,
