Regional Director  
National Economic and Development Authority  
Eastern Visayas Region

ENVIRONMENTAL MANAGEMENT BUREAU  
RELEASED BY: \_\_\_\_\_  
DATE: 3-4-22  
TIME: 12:15

Dear **Director Uy**:

As requested for the preparation of the Eastern Visayas Regional Development Report (RDR) 2021, the Environmental Management Bureau RO8 is respectfully submitting the following:

1. Copy of EMB RO8's 2021 Annual Accomplishment Report; and
2. Filled-out Result Matrices (Annex A), with the actual values for 2020 and 2021 and explanations of the variance in the performance (increases/decreases from 2020-2021 and over/under performance against the RDP targets) adequately provided.

This data has already been submitted/uploaded in the link provided, <https://bit.ly/EVRDR2021>.

Thank you and please acknowledge receipt.

Very truly yours,

  
**ENGR. REYNALDO B. BARRA**  
OIC-Regional Director

Chapter 19. Accelerating Infrastructure Development

Objectives/ Results	Indicator	Baseline		Annual Plan Targets					End-of-Plan Target	Actual Value		Explanations for the variance in performance (i.e., 2020 vs 2021 accomplishments, and 2021 target vs actual value)	Recommended strategies/ programs/projects/activities to meet targets and/or maintain progress in sector/subsector
		Year	Value	2019	2020	2021	2022	2020		2021			
Regional Goals													
Robust and sustained economic growth, and reduced poverty and inequality in all dimensions													
Sector Outcome													
Infrastructure development accelerated													
Subsector Outcome 5													
Improved adequacy, quality, and accessibility of social infrastructure facilities and services	Coverage of SWM facility increased (percent to total number of barangays)	2016	0.50%	6.50%	6.80%	7.18%	7.52%	7.52%	18.8%	19.0%	The formula used to achieve the percentage is the actual value of barangay MRFs over 4,390 (total no. of barangays in the region)	To extend more technical assistance to LGUs and barangays	
		Barangays with MRFs increased (number)	2016	22	286	300	315	330	330	825	833	The variance between the 2020 annual target vs. 2020 actual values and between 2021 target and 2021 actual value were due to the increased in the no. of approved SWM Plans of the LGUs. LGUs with an approved SWM Plan require barangays to establish MRFs.	To increase no. of LGUs with approved SWM Plans so that more barangays will be required to establish and operate MRFs.
		LGUs served with Sanitary Land Fills (SLFs) increased (number)	2016	5	6	8	10	11	11	8	10	The target for 2020 and 2021 were accomplished accordingly.	To extend technical assistance to LGUs who are willing to establish Sanitary Landfills (SLF).
