**ROMEO C. TEOCO**

Barangay 84, Manlurip  
San Jose, Tacloban City

Dear **Mr. Teoco**:

This pertains to your request for the amendment of the **Environmental Compliance Certificate (ECC)** issued on **March 7, 2011** for the **Industrial Sand and Gravel Extraction with Crushing Plant Project** covers an extraction area of **52,110 square meters** located in **Dongon River, Barangay Villa Magsaysay, Babatngon, Leyte**.

After evaluation of the documents submitted, this Office has decided to grant your request considering that it is permitted in DAO 2003-30 itself. Thus, the ECC will now be located in **Barangays Villa Magsaysay & Rizal II, Babatngon, Leyte** and will include the Crushing Plant Area of **18,033 square meters** as per documents submitted.

*Per MC 2014-005, Revised Guidelines for Coverage Screening and Standardized Requirements under the Philippine EIS System, the said project is covered by the Philippine EIS System and is required to secure an Environmental Compliance Certificate (ECC). The project is under 2. Resource Extractive Industries - 2.1 Mining and Quarrying Projects 2.1.3 Aggregates (sand, stone, gravel including dredging with intended for recovery/use of materials) with an area of equal or less than 20 hectares.*

The following **Additional Condition** is set as per EMB Memorandum Circular No. 2020-27, to wit:

- 1. The proponent shall provide "one entry" and "one exit" for its operation and shall installed a Closed-Circuit Television (CCTV) connected to the server of EMB Regional Office;**
- 2. The proponent shall submit monthly drone shots of the activity; and**
- 3. The proponent shall maintain a uniform depth of extraction at any given time on the approved area.**

You may proceed with the project implementation after securing all the necessary permits from pertinent government agencies and LGUs concerned. Further, you are advised to strictly comply with all the stipulations cited in the ECC including the submission of Compliance Monitoring Report (CMR) semi-annually. Consistent thereto, an EIA on-the-spot monitoring will be conducted regularly to ensure your compliance with the same. Furthermore, any change in the approved proposed operation shall be subjected to the EIA requirements.

*Romeo C. Teoco*  
**ROMEO C. TEOCO**

This letter forms an integral part of the subject ECC, the primary purpose of which is to serve as proof of its amendment.

Please be guided accordingly.

Recommending Approval:
