SUBJECT : **2022 REGIONAL ECOLOGICAL SOLID WASTE MANAGEMENT SUMMIT ON JUNE 22, 2022**

DATE : **16 June 2022**

We are pleased to invite you to this year's edition of the annual **Solid Waste Management Summit** on June 22, 2022 at 9:00 AM at Summit Hotel, Robinsons Place, Tabuan Highway, Fatima Village, Tacloban City. This year's Summit is in consonance with our celebration of June as the **World Environment Month** with the theme, "*Aksyon Para sa Natatanging Mundo*," highlighting the #OnlyOneEarth campaign for the World Environment Day 2022.

Moreover, as our partner in environmental protection and member of the Regional Ecology Center (REC) – Eastern Visayas, we want you to be part of the **Regional Launch** of the **National Plan of Action for the Prevention, Reduction and Management of Marine Litter (NPOA-ML)** which is happening on the same day. The NPOA-ML is our country's framework in planning, implementing and monitoring strategies to combat the growing problem on marine litter.

We will also be recognizing barangays in our region that have shown commendable compliance to **Republic Act 9003** or the **Ecological Solid Waste Management Act of 2000**.

Your attendance and participation are highly anticipated.

For your favorable action, please.
