Dear Madame:

Environmental Greetings!

This has reference to the table monitoring conducted by our technical staff in your establishment on **January 17, 2022**. The following are the findings and recommendations formulated, to wit:

**Findings:**

1. Three (3) units Underground Tank for diesel and gasoline are not covered with the existing Permit to Operate Air Pollution Source Installation with reference no. 17-POA-C-0826-0079 issued on March 6, 2017, valid until March 6, 2022.
2. No submission of SMR for the 3<sup>rd</sup> and 4<sup>th</sup> quarters of C.Y. 2021, as per office record, only the first and second quarters of C.Y 2021 were submitted online.

**Recommendations:**

1. To apply for PTO amendment to cover the three (3) units underground tanks for fuel, and to apply for the renewal of the said permit.

As such, you are hereby enjoined to comply with the above-cited recommendations in compliance with the requirements of the Environmental Laws and its Implementing Rules and Regulations of Section 1, Rule XIX, DENR Administrative Order No. 2004-26 (Implementing Rules and Regulations of R.A 8749), within thirty (30) days from the receipt of this letter.

Failure to do so shall be deemed as a violation of applicable rules and regulations. This Office will be compelled to take appropriate legal action against your establishment.

Please be guided accordingly.

Very truly yours,

**ENGR. REYNALDO B. BARRA**  
OIC-Regional Director
