Dear **Mayor Arbas**,

Environmental Greetings!

This has reference to the recent monitoring conducted by personnel from this Office on LGU Jaro's implementation of approved **10-Year Solid Waste Management Plan**.

The monitoring team observed that most of the strategies listed in the plan are already being implemented except for the hiring of a permanent **Municipal Environment and Natural Resources Officer (MENRO)** and the **establishment of a Sanitary Landfill**.

In this connection, please be advised to fast track the implementation of these remaining activities that are yet to be undertaken.

Please inform us of any update on your compliance to the aforementioned recommendation.

Thank you and more power.

Very truly yours,

  
**REYNALDO B. BARRA, PME**  
OIC - Regional Director
