Dear **Mayor Veloso**:

Greetings!

This is to acknowledge receipt of the municipality's 10-Year Solid Waste Management Plan (2021-2030). We would like to inform you that after initial evaluation of the Plan, it was found out that there are still important data that should be incorporated in the Plan. Nevertheless, the Plan has been endorsed to the National Solid Waste Management Commission (NSWMC) for further evaluation.

Please be advised that prior to approval of the plan, the NSWMC shall subject the plan to a more comprehensive evaluation. Meanwhile, we are requesting you to immediately implement the SWM strategies indicated in the Plan ahead of its final approval.

Attached is the Initial Evaluation Form for your guidance.

Thank you and more power.

Very truly yours,

REYNALDO B. BARRA, PME
